

River Ridge Roll 2012

Thursday, February 16th, 2012
River Ridge Golf Course – Sealy, TX.

Come play the River Ridge Roll on Thursday, February 16, 2012.

Take a short drive out I-10, play the beautiful and challenging River Ridge Golf Club, and support all six of the Katy ISD High School Golf programs. Play golf with some of the Moms and Dads of the golf teams for Cinco Ranch, Katy, Mayde Creek, Morton Ranch, Seven Lakes and Taylor High Schools. The four ball scramble tournament will have some super prizes, a great meal, and outstanding fellowship. In addition your “fun” will support some of the finest junior golfers in the Lone Star State.

Entry fee per four-person team is \$400. Of this amount, 25% is tax deductible. Please make your checks payable to River Ridge Golf Club and at the conclusion of the Roll, credit for greens fees, supplies, and equipment will be given to each school for the amount contributed by that school’s supporters.

The event will begin with a fajita lunch and silent auction at 11:00 followed by a 12:30 shotgun start for the golf.

The real money for the golf programs will be realized from hole sponsorships. A \$250 hole sponsorship will entitle you to a handmade sign with your message on it, placed by a tee box. The hole sponsorships are totally tax deductible since there will be no personal value received from this contribution. We also have “flag” sponsorships available for \$500, which will entitle the contributor to an actual flag on one of the greens.

On the Friday and Saturday following this wonderful event, the annual “Nicole Corser-Brock Kobza Memorial Tournament” will be played at the River Ridge Golf Club. This tournament will be host to one of the strongest fields of junior golfers in the state of Texas. Boys and girls from our KISD high schools will battle with several state champions and some serious contenders. It will be special for us to play the same course our high school golfers will be competing on the very next day.
